Sikandar Hayat Khan said there has to be a formula for such cases. Ar. Azhar Mamoon Sualehi explained that the two cases of Oriental College and Al-Khair University were unique cases and since the universities were closed down, no further cases are expected to come. As such the Council also cannot take any action against the University that does not exist. These cases will have to be dealt with on as and when required basis.

PCATP received expression of interest to participate in the competition from 33 Architects/ Architectural Firms. Only 21 Architects/architectural Firms submitted pre-qualification documents. Out of 21 contestants only **13 Architects/ firms** submitted their designs. A total of 32 entries were submitted by Architects for ten different schemes/projects which were considered by the jury. The jury decided not to select any entry for 3 projects as they were not satisfied with the overall quality of design submissions. Ar. Sikandar Hayat Khan said it is commendable to honor Ar. Yasmeen Lari. Ar. Arif Changezi inquired about the criteria for selection of jurors. “Yasmeen Lari Award for Ethical Architecture and Eco-Development”. He also suggested that notification be sent by email to members for the call for nominations. The participants also commented on only one planner being part of the Jury and suggested that one more planner be added.

Ar. Sikandar Hayat Khan asked if individuals or firms could be nominated and if it could cause conflict in case both employee and employer would be nominated.

RESOLUTION NO.2

On a motion proposed and moved by Ar. Zaigham Jaffery and seconded by Ar. Sikandar Hayat Khan, the House approved the suggested title of award as “*PCATP Yasmeen Lari Award for Architecture and Town Planning*” instead of earlier announced title “Yasmeen Lari Award for Ethical Architecture and Eco-Development”

Firm Registration modalities for inviting EA&P Firms with PCATP and inclusion of allied contractors/interior designing firms for registration with PCATP was discussed and recommendations were later presented to the Executive Committee for approval. The members were briefed that the Council has successfully registered up to 96 Architectural firms and 12 Town Planning firms up till now in various categories.

The Registrar showed graphs of category wise details and informed that members can refer to our website at www.pcatp.org.pk.

Ar. Sikandar Hayat Khan asked if new certificates would be issued mentioning the revised categories. The Registrar affirmed in positive and told the house that with all renewals new certificates would be issued if categories are changed.

Ar. Atif Osmani pointed that architects and planners are fewer in numbers as such the Council should not narrow down on categorization.

Ar. Zaigham Jaffery pointed that in case of NESPAK the organization was never issued a certificate only individuals were given certificates. The Chairman responded that NESPAK though is involved in major projects in Pakistan but the firm is not registered with the PCATP.

Ar. Sikandar Hayat Khan pointed out that Architecture firms should be allowed to hire engineers.

3.19 The Registrar informed the house the status of court cases with PCATP. The first case was Writ Petition No. 40553 of 2015 – Ms. Asia Jabeen & Mr. Mazhar Munir vs. Federation of Pakistan & others at Lahore High Court. This W. P No. 40553/2015 was filed against PCATP by Mr. Mazhar Munir & Ms. Asia Jabeen, at Lahore High Court. Chairman PCATP after taking charge of the office on April 01, 2017 initiated dialogue with Mr. Mazhar Munir and upon receiving written request from Asia Jabeen and Mazhar Munir, Chairman PCATP restored their membership with the Council on the condition that court cases against PCATP will be withdrawn. After restoration of their membership with the Council the case has been withdrawn from the Lahore High Court.

Ar. Anjum Adil objected to the writ petition that finished with apology and considered it as failure of the Council. Ar. Zaigham Jaffery pointed out that being forgiven after an apology is not acceptable and in any such situation the members should be informed. The Council has to differentiate between an offender and members of the community sitting together.

Ar. Azhar Sualehi told the house that this issue has been taken care of in the recommended bye-laws.

3.20 The Registrar informed that the second case was a complaint filed by Mr. Kaleem Ahmed regarding delay in issuance of PCATP membership with Wafaqi Mohtasib Secretariat Islamabad. The complainant submitted "that he has been working as approved Architect & Draftsman of TMA Municipal Corporation, Rawalpindi and now the Government has made membership of PCATP as compulsory for job as an Architect. He further submitted that his late father was an approved Architect and a member of PCATP. He requested that the agency may be directed to transfer license of his father to his name and he may also be declared approved Architect".

PCATP submitted the response and in view of our response the complaint was rejected by the Wafaqi Mohtasib Islamabad. The findings states that "*as per report of Agency, is no such provision exists under PCATP Ordinance IX of 1983 to transfer father's enlistment to his son. Moreover, Certificate or Diploma in Architecture did not qualify a person for registration with PCATP as an Architect as there is no such provision of enlistment as "Draftsman" under the Ordinance. In view of the stated position, no interference is called further. There is no maladministration on the part of the Agency*".

"In view of the above, the complaint is rejected in terms of Regulation 23 (3) of the Wafaqi Mohtasib (Investigation and Disposal of Complaints) 2013".

3.21 The third case was a complaint filed by Ar. Samra Mohsin Khan & faculty of Department of Architecture, COMSATS Institute of Information Technology, Islamabad against Ar. Hammad Husain. COMSATS Islamabad informed PCATP that Mr. Hammad Husain had filed a writ petition (WP No. 1221 of 2017) against COMSATS Islamabad through Chairman of Board of Governors, Rector/ In charge Islamabad Campus and 7 others at Islamabad High Court and Honorable Court has further directed "Meantime, status quo shall be maintained".

ARCHITECTS AND TOWN PLANNERS

Chairman PCATP has advised the Inquiry Committee not to continue with this case any further as there is no need for the Council to be an arbiter in the matter which is already taken to the Court.

3.22 The Registrar informed the house about the cases of illegal practice of architecture by non-registered persons. Ar. Jabran Niazi (A-03708) and Ar. Ali Zafar Qazi (A-01147) through email invited attention of PCATP on two non-professionals companies titled M/s Mohsin Shaheen Construction Company, Lahore and M/s Naqshaz Islamabad undertaking Architecture and Planning projects in Pakistan. PCATP issued a show cause notice to both the firms. No response was received from both the firms after which Legal notice was served to them and both complied with the legal notice and have submitted firm registration request through PCATP registered Architect.

Ar. Anjum Adil commented that reminders should be sent. The Chairman replied it is a constant battle.

3.23 The Registrar informed about the Imposition of Licensing Fee on PCATP Registered Architects & Town Planners. A number of complaints from Architects from Faisalabad were received in PCATP office regarding imposition of licensing fee on PCATP registered Architects & Town Planners by Faisalabad Development Authority (FDA). Letter was sent to Director General FDA requesting that this renewal fee should immediately be withdrawn and notice published by FDA in this regard with intimation to the Council. No response has been received so far. Reminder has been issued to FDA again.

3.24 The Registrar informed the house that Council is fully aware of pre-qualification notices appearing in national newspapers by public and private sector organizations and informed about the action taken by Council on Pre-qualification Notices/ EOI appearing in National Newspapers. PCATP has written 23 letters to the concerned departments. The response is not very encouraging but few organizations have accepted our plea and have issued pre-qualification/EOI requests fulfilling Council's long awaited demand

3.25 The Registrar informed the house on the status of Rawalpindi Housing Scheme and that there has been no progress on the scheme. As per Executive Committee decision refund of the original amount to the RHS members is being given with an undertaking that if PCATP gains any profit after sale of RHS land, proportionate share on their deposited amount and its period of retention with PCATP shall be paid to them or to their legal heirs accordingly. During the reporting period a total of PKR 483,000/- was refunded to seven RHS members. Following is the overall status of RHS refunds:

6- 1 Bye-Laws Amendment

6.1.1 Ar. Zaigham Jaffrey pointed out the need for an additional column with reasoning and rationale for the amendments, which could have helped discuss the points in much more detail. He also asked for the revision to be sent to members for review. He also maintained that the intention of the Council should be to ensure that a maximum number of members read the documents. For this hard copies of the revision should be couriered to members rather than emails or uploading on the website only. The dissent was noted.

6.1.2 Ar. Farhatullah Qureshi raised the issue of required quorum. 20% requirement from each field.

6.1.3 Ar. Zaigham Jaffery questioned who will be responsible for the ballots. He also agreed with objection raised by Ar. Atif Inam Osmani suggested NADRA office could be used for voting. Ar. Azhar Sualehi told the PEC has electronic system of election and it is very expensive.
